

TOP JOB FOR TOP AIR CONDITIONING TECH - Ample Air Conditioning

Written by Administrator
Monday, 20 October 2008 20:00

Due to the expansion of our company Ample Air has an opening for a new member to join our team. If you're the person we're looking for you will be a friendly person with a can-do attitude, as well a highly experienced leader within the top 10% of your trade. You will need solid technical skills in residential and light commercial air conditioning as well as relevant trade qualifications and current driver's licence. A Generous salary package will be negotiated with the right person...

If this sounds like the position for you, call Jon on (02) 9623 7744 today.
